

# Tractor Safety Training

**March 20th from 9am-4pm.**

Tractor Safety Training is **required** for youth 14 and 15 years old that are planning to do farm work. Younger youth can attend but they will not be issued a certificate until they turn 14. Older youth are also welcome to attend. Participants will need to spend 2 hours driving with their prospective employer or someone before certification can be issued.

Cost is \$10 for the work book, lunch will be provided. Please call the Extension Office (620-429-3849) by **March 7th** if you plan on attending.

K-State Research & Extension is an equal opportunity provider and employer. If you have any questions, please contact the Cherokee County Extension Office at 620-429-3849.
